Dear Examiner Hani Kazimi,

**Copy Of Final Office Action Dated June 28, 2004**

I would be most grateful should you kindly extend to me a copy of the above. As my personal computer had been attacked by a virus that wiped out all data. Including the above copy issued by your esteemed office.

I had requested my attorney George Chaclos to send me a copy. He said that he had forwarded, but I had not received anything to date.

Therefore, I would be most grateful if you can send me a copy of the above, from your file. Thank you very much for your kindness and understanding. Looking forward to your reply in anticipation!
